Memorials.

Surely there can be no fitter memorial of a departed relative or friend than the endowment of a Bed or Cot in a Hospital.

It is difficult to think of anything more beneficent than the endowment of a Hospital bed ; or to picture a place more appropriate for a record to the Memory of a loved one than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering.

Moreover, in the Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

(For particulars of Bed and Cot Endowments see pages 27–30.)

ANNUAL REPORT FOR 1927.

THE Board of Management have the honour to submit to the Governors and Subscribers their Report for the year 1927, together with the Audited Accounts.

MESSAGE FROM HIS MAJESTY THE KING.

The Chairman of the Hospital has received in a letter from Lord Stamfordham the following gracious message from His Majesty the King :—

> " His Majesty recognises the very close association between his family and the Hospital during the past 80 years, and that he himself was President for more than nine years, and is delighted to hear of all that has been so successfully accomplished in furthering the work and noble objects of the Institution. For this reason alone His Majesty hopes to have an opportunity of visiting the Hospital when the new part of the building is in occupation."

THE YEAR'S WORK.

The work of the Out-Patient Department of the Hospital has been carried on without interruption during the year, but owing to structural alterations to the existing building consequent upon the Extension Scheme, it became necessary to close practically the whole of the In-Patient accommodation during the months of July, August and September. Arrangements were made for three small wards containing 25 beds, to be available during that period for any case of serious accident or sudden emergency which might be brought to the Hospital. From October onwards additional wards became available as work on the Extension Scheme progressed, and by the end of December the greater part of the former In-Patient accommodation had again become available.

There was a slight decrease in the number of new Out-Patients, but the total attendances made by Out-Patients in

the various departments increased from 140,829 to 147,240, making an average of 400 each day.

FINANCE.

Income.

The Board of Management report with pleasure that the Accounts this year show an excess of income over expenditure of £2,468. Donations have declined from £5,577 to £5,242 but the Annual Subscriptions show a welcome increase of £120 over the previous year and amount to £4,431, which is the highest figure recorded since 1911. Grateful acknowledgment is made of the annual subscriptions of £360 generously given by the Directors of the Prudential Assurance Company, and £250 by the Directors of the Great Western Railway. A substantial contribution each year is also received from the staff of Messrs. William Whiteley, Ltd., and from Messrs. Selfridge & Co., Ltd., towards the cost of the two beds which they are so good as to maintain in the Hospital.

The Board of Management record with gratitude the gift of £500 from Miss Winifred Foyer for the endowment of a Cot (" The Bettykins and Judykins Cot ") in loving memory of her only sister.

Legacies show an increase of £5,315 over those of the preceding year.

An interesting experiment has been started during the year by the establishment of a " St. Mary's Hospital Rubbish Collection Fund." In each household a great many unnecessary articles accumulate which are not only useless but also occupy valuable space. All this rubbish, however, has considerable value when collected in large quantities. The Rubbish Collection Fund has equipped a store and provides the necessary transport. Although the scheme has only been in operation since 1st July, a sum of £380 has already been received. If, as it is hoped, the public in general will notify the Hospital when old clothes, linen, rugs, &c., are available for collection, a substantial yearly sum can be secured from their sale through this organisation.

The following contributions to the general funds of the Hospital are gratefully recorded :—

	£
Smith's (Kensington Estate) Charity	500
" Help Yourself Society " (per the Stock Exchange Dramatic and Operatic Society)	343
C. W. Drabble, Esq. (including an annual donation of £25 for the maintenance of the Wireless Installation)	205
Mrs. C. V. Bell	125
The Concordia Benevolent Fund (per E. C. Evans, Esq.)	112
The Employees of Rotax (M. A.), Ltd.	106
Capt. The Hon. G. B. Portman	105
The Worshipful Company of Fishmongers ...	105
Mrs. C. A. Barton	100
Miss Eleanor Lloyd	100

The Board of Management greatly appreciate the generous assistance afforded to the work of the Hospital by the Central Funds. The following table shows the grants received as compared with the year 1926 :—

	1926.	1927.
	£	£
King Edward's Hospital Fund for London	5,500	6,000
Hospital Sunday Fund	2,150	1,810
Hospital Saturday Fund...	505	700
Alexandra Day Committee	500	500
	£8,655	£9,010

Expenditure.

The expenditure for the year shows a decrease of £7,143. It is not possible to make any useful comparisons under this heading, in view of the practical closure of the In-Patient accommodation during the months of July, August and September. Further, a great number of wards were not available for use until later in the year.

EXTENSION SCHEME.

Work on the Extension Scheme commenced on 1st July, 1927, and substantial progress has been made. The Scheme which should be completed by May, 1928, will provide two new operating theatres and nearly 60 additional beds, a number of which are to be reserved wholly for cases of accident and sudden emergency. In the course of the work very great improvements have been effected in the general and ward kitchens of the Hospital. A refrigerating plant has been installed, and cold storage accommodation provided for milk and food. The Board of Management has taken the opportunity provided by the Extension Scheme to modernise certain parts of the old portion of the Hospital where the sanitary arrangements were quite inadequate for a large general hospital. In the wards, the sanitary annexes have been entirely separated from the ward kitchens. The work carried out in this connection was expensive, but is of vital importance to the domestic services of the Hospital and was long overdue. These rearrangements necessitated the conversion into ward kitchens of various rooms formerly used as Sisters' sitting-rooms. To meet the new need thus created, additional premises for the Nursing Staff were secured in Norfolk Square.

During the building operations very serious defects in the electrical installation were found and practically the whole of the old building has been rewired and overhauled at a cost of some £750.

The improvements have entailed a considerable expenditure and the financial position on 31st December, 1927, may be briefly summarised as follows :—

EXTENSION SCHEME.

Receipts.	£	Commitments.	£
Donations, &c. ...	44,000	Contract sum for Extension and Architect's Fees	45,700
Promises outstanding	1,000	Purchase of additional premises for Nursing Staff	3,300
		Equipment of new Wards and Operating Theatres	3.000
		Improvements in kitchen and sanitary annexes, installation of refrigerating plant, &c. ...	8,000
	£45,000		£60,000

It will be seen from the above that a sum of £15,000 still remains to be collected. The accident beds have been provided at great cost to meet an urgent public need, and it is the earnest hope of the Board of Management that the amount now outstanding will be forthcoming before the Extension is formally opened in July next.

An additional annual sum of £7,500 will be required for maintenance when the Extension is opened, and an appeal is made to all to assist in meeting this new burden.

The Hospital is under a deep debt of gratitude for the following further benefactions which have been received during the year towards the Extension Appeal Fund :—

	£
Grant from the estate of the late Mr. A. Barron Bosher (per Court of Common Council of the Corporation of London)	4,000
Further grant from the Trustees under the Will of of the late Mr. Alfred De Rothschild (per Barry W. Mason, Esq.)	3,000
Proceeds of Ball organised by the Ladies' Association held at Claridges on 20th January, 1927	1,219

THE NATIONAL CAMPAIGN AGAINST TUBERCULOSIS.

The Tuberculosis Dispensary attached to the Hospital continues to do excellent work. During the year the total attendances were 4,449, and the number of new cases 312, compared with 5,384 attendances and 300 new cases for the year 1926.

The following table sets out in detail the statistics relating to the Tuberculosis Dispensary :—

ACQUISITION OF SITE ADJOINING THE HOSPITAL.

For a number of years the Board of Management has been faced with the demand for additional accommodation to meet the ever-growing needs of the various departments of the Hospital. Negotiations have proceeded over a considerable period with the Grand Junction Canal Company for the purchase of a site adjoining the Hospital, which would provide the necessary ground for its expansion and safeguard its future development. These negotiations were finally concluded in November last and the property purchased for a sum of £65,000. Mr. Joseph Stower placed his services as valuer of the property at the disposal of the Hospital free of charge, and the Board of Management desire to record their deep appreciation of his generous help in advising them throughout the long and difficult negotiations which preceded the purchase.

The grateful thanks of the Board of Management are also due to the Hospital's Solicitors, Messrs. Beachcroft, Hay & Ledward, who transacted the legal negotiations on favourable terms, and also to Messrs. De Zoete & Gorton, the Hospital's Stockbrokers, who carried through the transactions in connection with the sale of investments for a nominal sum.

The superficial area of the property now acquired is 66,250 square feet, which is approximately equal to the area of the ground on which the Hospital and Medical School at present stand. The importance of the purchase of this site can hardly be over-estimated, and its acquisition marks one of the most momentous decisions ever taken in the history of the Hospital.

A special committee has been appointed to deal with the future development of the site, as, and when, land becomes available for building purposes. It is hoped eventually to erect :—

(1) A Medical School.
(2) A Nurses' Home, and
(3) A Bacteriological Department.

A preliminary survey is being made and plans are being drawn up by Mr. Stanley Hall, M.A., F.R.I.B.A. There is an urgent need for the rebuilding of the Medical School. The erection of a new Nurses' Home would free the accommodation at present used by the Hospital for that purpose for a number of beds for paying patients, which are now an outstanding and insistent need in hospital work. The new Bacteriological Department would provide a permanent home for the research work so brilliantly associated with the name of Sir Almroth Wright which has made St. Mary's famous all the world over.

The above is but a mere outline of the possibilities opened up by the purchase of this piece of land. To carry such projects into being will require large sums of money, but the acquisition of this site is the first great step towards the creation of a Hospital and Medical School second to none.

It is a matter for great satisfaction to the Board of Management that the progressive policy which has been adopted in this matter has already in part been justified by results. A sum of £20,000 has been promised to the Site Development Fund, and for this magnificent gift the donor (who desires to remain anonymous) has earned the deep gratitude of all who have the welfare of St. Mary's Hospital at heart. To the Board of Management, faced as they are with the responsibilities of so great an undertaking, this splendid act of generosity is the greatest encouragement they could possibly have received.

NURSING STAFF.

The efficiency of the Nursing Staff has been well maintained throughout the year. The Board of Management has accepted with deep regret the resignation of Miss D. E. Bannon who has been Matron since July, 1922. She has rendered most devoted service during her term of office, and her decision to give up hospital work is a matter for general regret.

A gift of £100 from the estate of the late Dr. Ivy Collier, together with an anonymous donation of £100, was received for a Nurses' Library Endowment Fund. Dr. Ivy Collier undertook her medical training at St. Mary's, and the news of her death came as a great blow to her many friends at the Hospital. The annual income from the Endowment Fund, which has now been formed to perpetuate her memory will enable new books to be purchased from time to time for the Nurses' Library.

The various details relating to the Federated Superannuation Scheme for Nurses and Hospital Officers (Contributory) have now been settled, and the scheme will come into operation as from 1st January, 1928. Entry for existing nurses and officers is optional, but will be compulsory for new entrants to the Hospital service. The Scheme is on the same basis as the Federated Superannuation System for Universities, *i.e.*, the Hospital will contribute 10 per cent. of the salary and emoluments and the nurse or officer concerned will contribute 5 per cent.

MEDICAL SCHOOL.

The entry of full-course students during the Academic Year 1926–27 was 38, the number being the same as in the previous Academic Year.

During the year 1926–27 the number of students working for the full-course amounted to 228, while 69 attended for part-time courses during the same period.

During the year 24 students obtained University Degrees in Medicine and Surgery, while 44 obtained the Diplomas of the Royal Colleges of Physicians and Surgeons.

A very important feature of the past year was the endowment of a University Scholarship of the annual value of £200 by Mrs. Burton, in memory of her mother. The Scholarship is to be known as the Geraldine Harmsworth Scholarship, and is open to students of Oxford or Cambridge Universities who have completed their examination in Anatomy and Physiology, and are prepared to enter at once upon hospital work. A sum of £4,000 has been invested for the endowment of this scholarship, and Mrs. Burton's kind action has been very much appreciated by the Medical School Authorities.

INOCULATION DEPARTMENT.

This department was founded in 1906, when Sir Almroth Wright was extending his work from the prophylaxis of diseases such as Typhoid Fever to the treatment by means of vaccines of various bacterial diseases. Originally, it occupied two laboratories which now form part of the Pathological Department. In 1907 more spacious accommodation was found in the Clarence Wing, but now even this is too small to minister adequately to its rapidly increasing activities.

The out-patients' department, to which patients are referred for diagnosis and treatment of a great variety of infections has become much larger. At first patients were only seen on two afternoons a week; later it was found necessary to see them on three, and then four afternoons, and during the last year arrangements had to be made for patients to attend every week-day except Saturday. During last

year the number of attendances of out-patients was 9,707, which represents an increase of roughly 1,000 over 1926, and 2,000 over 1925.

An important part of the work of the Department is the preparation of stock vaccines for distribution to members of the medical profession in the British Isles and the Dominions. These vaccines cover a wide range of applicability from the prophylaxis of Typhoid Fever, Cholera, and Plague, to the prevention and treatment of the common Cold or the treatment of minor ailments, such as Acne or Boils. The resources of the Department are such that, in spite of the very limited space at its disposal, there can be produced in a very short time sufficient vaccine to cope with an extensive epidemic. During last Summer it was put to the test when one of our largest industrial corporations with vast interests in the tropics had a serious outbreak of cholera, and required a large amount of vaccine in a short time. The call for the vaccine was only received on the Saturday before August Bank Holiday, when many of the staff were absent on leave, but the remainder, and especially Captain Hayden and Dr. Fry, by working long into the night were able to get the vaccine ready in three days. It was dispatched to the site of the outbreak by aeroplane, and it is pleasant to be able to report that the epidemic was immediately brought under control. Pleasing also is it to be able to state that the Directors of this corporation have been kind enough to recognise the efforts of the Department by a generous donation towards the building of a new Pathological Institute on the site recently purchased.

During the past year much research work has been done in the Department on the problems of Bacteriology and Immunity. There have been 16 regular research workers during the year occupying themselves with various subjects. The very important question of how best to test a vaccine has engaged much attention, as it is only by obtaining a good test for the efficacy of a vaccine that the methods of preparation can be improved. Studies of the streptococci which are the infecting microbes in septicæmia have been made, and several communications have been made on this subject

to the medical journals. It has been found that certain chemicals have a powerful lethal effect on these streptococci, and it is hoped that an efficient treatment for blood poisoning may be forthcoming as a result of these experiments.

The problems of hypersensitiveness to food or other proteins have also been studied, and a large number of out-patients are being treated on the lines suggested by the research work. Work has also been done on the whole question of the power of the blood to destroy microbes, and the methods whereby the various elements of the blood may be improved in this direction. In the past the work of the Department has had a considerable influence on the treatment of bacterial infections in man, and it is likely that in the future it will continue to do so.

" PARKWOOD " CONVALESCENT HOME, SWANLEY, KENT.

The authorities of " Parkwood " Convalescent Home have again placed beds at the disposal of the Hospital for female patients and children in need of convalescent treatment.

To meet the cost of maintenance and the expenditure on necessary structural repairs, the Trustees have been obliged to adopt a small weekly charge in respect of patients admitted to the Convalescent Home, but they have been so good as to allow discretion to the Hospital authorities so that in any case of hardship the Almoner's certificate will be accepted as proof that a patient is unable to pay the usual rates, which have been fixed at 10s. per week for adults and 5s. per week for children under 16 years of age.

THE BOARD OF MANAGEMENT.

The Annual Election of the Board of Management took place as usual at the Quarterly Board of Governors in June. The following Ordinary Members, retiring by rotation, being eligible, were re-elected :—

Mr. J. H. Stephens, who had been appointed during the year to fill a casual vacancy having also to retire as required by the Laws of the Hospital, and being eligible, was likewise re-elected.

The following members of the Honorary Medical Staff were elected as Medical Members :—

Sir John F. H. Broadbent, Bart.
D. C. L. Fitzwilliams, Esq., C.M.G.

Later in the year, Mrs. Thurburn (as representative of the Ladies' Association), Colonel Sir Stuart Sankey, K.B.E., C.V.O., J.P., and Mr. P. F. David, were duly elected members of the Board of Management.

The resignations of Lady Harris and Mr. Cecil de Salis were received with regret.

Mr. A. R. Prideaux and Lt.-Col. H. E. Verey, D.S.O., were re-elected Chairman and Deputy-Chairman respectively, and at the first meeting of the House and Finance Committee after the Quarterly Board in June, Lt.-Col. H. E. Verey, D.S.O. was re-elected Chairman of that Committee.

THE WORK OF THE ALMONER'S DEPARTMENT.

In addition to the usual work of enquiry into the circumstances of In-Patients and Out-Patients, much valuable assistance has been rendered through further investigation into patients' home conditions where these seemed to be hampering their recovery. Through these enquiries, not only has abuse of the Hospital been avoided, but patients have been enabled to carry out the recommendations of the Medical and Surgical Staff with greater success than could otherwise have been accomplished.

The figures at the end of this section show the very varied activities of the Department, but a few examples of typical

cases assisted may add a human interest to these statistics, and will show how closely the Department works with outside agencies.

Mrs. P., a young nursing mother, suffered from a breast abscess for weeks, convalescence was recommended, but the husband was out of work, and there were two young children, as well as a tiny baby to be cared for. The patient was referred to the Guardians, with a full report; mother and baby were sent to a seaside Convalescent Home for three weeks, the other two children being taken into the Guardians' Nursery for the time being. The patient returned looking rosy and quite ten years younger.

D. S. and F. H. were two small, peaky children, suffering from bad chests and losing weight. Month after month they attended in the Out-Patient Department, making no progress because the parents refused to allow them to go away for convalescent treatment. Finally, after much persuasion, the parents consented. Both children went away, and on their return, plump and bonny, the parents were overjoyed at the result.

Mrs. K. was 71, with only her Old Age Pension upon which to exist. She had suffered with her feet for years. Finally she came to Hospital and was recommended expensive surgical boots. Enquiry revealed that a son had died in the War. The United Services Fund was approached and agreed to meet the whole cost of the boots. Mrs. K. left Hospital in comfort and with great gratitude.

The number of new Out-Patients coming under the review of the Almoner's Department has been actually less than in 1926. The figures for 1927 are as follows :—

Sent to Convalescent Homes	133
Referred to District Nurses	1,189
Referred to Paddington Infant Welfare Centres	969
Sent to White Oak Ophthalmic Schools ...	5
Visited at home	83

Eight hundred and sixty seven cases have been referred to other agencies for assistance, as follows :—

Invalid Children's Aid Association ...	264
Charity Organisation Society	123
United Services Fund	30
Poor Law Guardians...	114
London County Council	74
Insurance Societies	116
Other Agencies	146
	867

Eight hundred and twelve reports on 530 patients have been sent to various bodies. 770 instruments have been supplied, including 312 pairs of spectacles, 21 lenses, and 66 dentures.

The cost, amounting to £763 1s. 9d., was contributed, as follows :—

	£	s.	d.
By Patients	368	13	0
By Hospital Saturday Fund	8	16	3
By Hospital Sunday Fund	45	0	0
By Approved Societies	105	9	6
By St. Mary's Hospital	15	14	6
By other sources	216	8	6
	£763	1	9

Maternity Department.

During the year 562 patients applied for treatment. Most of these were visited in their homes by the Municipal Health Visitor, and many have been put in touch with the Maternity and Infant Welfare Centres.

Maternity Letters for confinement at home are only given in cases where the home conditions are reported as satisfactory.

Twelve unmarried girls made application and were referred to a Social Worker, who arranged for the confinement, either in a Home, or in the Infirmary, and for the care of the baby afterwards, when suitable work had been found for the mother.

Convalescent treatment was arranged for eight mothers and their babies. 30 necessitous cases were helped through other sources with clothes and extra nourishment; and in four cases arrangements were made for the care of the other children.

In-Patient Department.

Much of the report of this work is contained in the Report of the Dresden Fund Trustees.

In addition, the following cases have been helped :—

Sent to Convalescent Homes	137
Referred to District Nurses	43
Assisted in various ways	119
Visited at Home	49

Tuberculosis Department.

In this department 52 patients have been sent to Convalescent Homes, seven visited at home, and 19 helped in various other ways.

CHAPLAIN'S REPORT.

The Chaplain and those clergy and lay-workers who so kindly assist him, wish once again to thank the Hospital Staff for giving them every possible opportunity for visiting the patients, and for arranging services both in the Chapel and in the Wards during the year.

The Chapel services, both on Sundays and week-days have been splendidly attended, and the generous spirit of co-operation which has been so evident has made the Chaplain's work particularly encouraging.

The care of the Chapel, the preparation for the services, and the beautiful floral decorations, have been a real inspiration to all. Our gratitude is due to those who have given so much time and sacrifice to these matters. Arrangements have been made for the Chapel to be repainted and thus brought into line with the general redecoration of the Hospital which has taken place.

We trust more and more that the Chapel and its services will become a greater centre of inspiration, both to the Staff and Students, in their important work of helping in the alleviation of distress and suffering.

We should like to mention especially the services of the Organist and also to express our deep appreciation to the Lady Visitors, whose ministrations have been so acceptable to the patients. The Hospital Choirs have worked, if possible, harder than ever, and their Ward Services have been greatly valued.

THE LADIES' ASSOCIATION.

The year has been one of great activity. At the request of the Board of Management a Ball, organised in aid of the Extension Appeal Fund, was held at Claridge's in January, 1927, H.R.H. Princess Arthur of Connaught, President of the Ladies' Association, accompanied by H.R.H. Prince Arthur of Connaught, graciously attended. The proceeds of the Ball amounted to the excellent sum of £1,219.

During the year grants to the aggregate value of £450 were made for the purchase of 300 linen sheets, 300 twill sheets, 300 pillow cases, 100 blankets, and 100 quilts, and £160 for the purchase of 100 yards of wincey and 1,400 yards of striped flannel to be made into garments, and 368 articles, collected by the Vice-Presidents and their Members, were on view, together with 120 garments made at working parties.

Members of the Association once again helped on the Hospital Flag Day, and also took charge of a Depot in connection with "Alexandra Day." A Bridge Tournament was held in November at 17, Hyde Park Gardens, by kind permission of Mrs. Douglas King. Thanks to the energy and work of Mrs. Thurburn, Mrs. Drabble, Mrs. Easton, and Mrs. Parsons Smith, the Tournament realised the sum of £303.

Arrangements have been made to hold another Ball at The May Fair Hotel, on 18th January, 1928, the proceeds of which, it is hoped, will be sufficient to equip with linen the beds in the new Wards. It is also intended to hold a "Pound Day" in 1928, which Mrs. Wilfred Harris and Mrs. Freeman have again kindly consented to organise.

The Executive Committee of the Ladies' Association appeal most earnestly to all ladies interested in the Hospital for increased support in their work by joining the Association,

enlisting new members, making garments, or by lending their houses for work parties. The object of the Association is to provide for the supply of garments, linen and blankets required for the use of patients in the Hospital.

Honorary Vice-Presidents subscribe One Guinea annually and Honorary Members, 5s. Working Members subscribe 10s. 6d. annually, and are supplied with cut-out garments to make. Mrs. Maynard Smith (the Honorary Work Secretary) is at the Hospital every Thursday morning from 11 to 12 during the months of October to March. Miss R. M. M. Evans, Honorary Secretary, 24, Sussex Gardens, Hyde Park, will gladly give any information respecting the work of the Association.

THANKS TO THE MEDICAL STAFF.

The Board conclude their Report with the expression of their sincere thanks to the members of the Honorary Medical and Surgical Staff for their constant attention and kindness to the patients, and for their valuable service to the Hospital throughout the year.

Signed, on behalf of the Board of Management,

A. R. PRIDEAUX,

8th March, 1928. *Chairman.*

" Mr. Sturge hopes that this Fund may be made known and that others may be induced to subscribe to it."

*Converted, in 1902, to £972 Great Eastern Railway Consolidated 4 per cent Preference Stock, and again converted, in 1923, to £972, London & North Eastern Railway 4 per cent. 1st Preference Stock (*see page* 42.)

GOVERNMENT AND MANAGEMENT.

The mode of government is by a Board of Management, meeting fortnightly, and by Standing Committees appointed by the Board of Management.

The Board of Management consists of the President, Vice-Presidents, and Treasurers (permanent Members), and twenty-eight Governors elected annually (Ordinary Members), of whom not more than five may be women. Of the Ordinary Members eight are Members of the Medical Staff or Lecturers in the Medical School (Medical Members).

QUALIFICATIONS AND PRIVILEGES OF SUBSCRIBERS.

Ann. Subscribers of		Donors of	Privileges.
£1 1 0	or	£10 10 0	May recommend 3 Patients annually.
2 2 0	or	21 0 0	May recommend 6 Patients annually.
3 3 0	or	31 10 0	May recommend 9 Patients annually, and are eligible for Election as Governors.

Subscribers of greater sums are entitled to recommend Patients in proportion to the amount of their subscriptions. Letters are not issued unless expressly desired, as many Subscribers do not require them.

Governors have also the privilege of visiting the Hospital under regulations made by the Board of Management, provided that they previously ascertain from the Secretary that such visit will not interfere with the work of the Hospital.

Executors of any considerable benefactor by Will are eligible to be elected Honorary Life Governors.

THE MATERNITY.

Annual Subscribers of One Guinea, or *Donors* of Ten Guineas to the MATERNITY FUND, may recommend three Patients annually *to that department*; and so on in proportion to the amount of the subscription.

ADMISSION OF PATIENTS.

Applicants are treated as In-Patients or Out-Patients at the discretion of the Medical and Surgical Staff, and as the accommodation available in the Wards may permit.

Accidents and other cases deemed urgent by the Medical Officers are (so far as space permits) admitted without Letters at all times.

Holders of Letters seeking admission as In-Patients must present their Letters at the Hospital at 1 o'clock (Sundays excepted).

Much inconvenience having occurred in consequence of the arrival of Patients from a distance, without notice, it is requested that in the case of Patients coming from places so remote as to preclude easy and cheap communication with the Hospital, notice be given to the Secretary three days before the Patient intends to apply for admission, enclosing a Medical Certificate stating as fully as possible the nature of the case.

VISITING DAYS. Adults: Wednesdays and Saturdays, from 4 to 5; and Sundays and Public Holidays, from 3 to 4. Children under 15: Wednesdays, 4 to 5, Sundays, 3 to 4. Except for urgent reasons visitors cannot be admitted at other times. Children are NOT allowed to visit the Children's Ward. Only parents or guardians of patients, or persons *in loco parentis*, are allowed as visitors to the Children's Ward.

Out-patients are attended DAILY (Sunday and Public Holiday excepted). They must present their letters at the Hospital at the following times:—

TWENTY-THIRD ANNUAL REPORT.

The Dresden Trustees have the honour to present their report for the twelve months ending 30th September, 1927, together with the accounts for the same period.

The objects to which the Trustees have continued to devote the funds at their disposal, and the number of Patients benefited under each head, are :—

1.	Patients sent to Convalescent Homes (including 114 sent to Parkwood)	231
2.	,, given pecuniary assistance on discharge	6
3.	,, assisted with clothing on discharge ...	2
4.	,, provided with Surgical and Optical appliances on discharge	104
5.	,, assisted with fares to and from Convalescent Homes	273
6.	,, assisted with fares to their own homes on discharge from the Hospital ...	179

Great care has been taken to ascertain that Patients are really needy and deserving before assisting them, particularly in Class 2. Thorough enquiry into their means and deserts has been made in every case.

During the year the Trustees of the Hospital Convalescent Home, Parkwood, Swanley, Kent, have placed 15 beds at the disposal of the Hospital. The Trustees of the Dresden Fund, as a result, have been enabled to send 114 Patients to this Home for a period of 19 days or more, at no expense to the Fund except the fares of the Patients. The Trustees gladly take this opportunity to record their grateful thanks to the authorities of the Hospital Convalescent Home for the great benefit which the use of these 15 beds has enabled the Trustees to confer on so many Patients of the Hospital.

Signed on behalf of the Trustees.
